WORK EXPERIENCE

Project Coordinator — Marketing

Dignitas Agency · Freelance (Remote)
Jan 2026 – April 2026

- Coordinated end-to-end marketing projects across multiple service areas — keeping timelines, deliverables, and team communication organized using ClickUp and Trello.
- Designed and optimized marketing funnels and landing pages to support lead generation and client campaign goals.
- Built and maintained client websites using Squarespace and managed course/membership setups on Thinkific.
- Managed social media accounts — creating graphics in Canva, writing copy, scheduling posts, and monitoring engagement across platforms.
- Produced written content and edited videos for Reels, Stories, and promotional posts.
- Set up and managed email automation workflows in ActiveCampaign to nurture leads and support campaign launches.
- Used AI tools including ChatGPT and Claude to streamline content creation, copywriting, and workflow efficiency.
- Managed shared assets and documents via Google Drive and Workplace; handled secure credential management through LastPass.

Digital Marketing VA — Funnel & Automation Specialist

Outsourced Doers · Davao City (Remote)
Sep 2024 – Sep 2025

- Planned and built full marketing funnels from lead magnet to conversion, covering landing pages, thank-you pages, and upsell flows.
- Set up and managed email automation sequences in ActiveCampaign, ConvertKit, and Mailchimp — including audience segmentation, tagging, and trigger-based workflows.

- Optimized existing funnels through A/B testing and performance monitoring, improving open rates and conversion metrics.
- Managed social media content calendars and scheduling across multiple platforms to support top-of-funnel traffic.
- Handled admin coordination using Trello and ClickUp — keeping campaigns on schedule and client communication clear.
